Warren Wilson Presbyterian Church Online Directory

Below are instructions to create an account for people that are in the Warren Wilson Presbyterian Church directory. Your contact information is in the directory already. If you wish to access it and the church calendar you can create an account. As we all become more familiar with the online directory we will be adding additional services for you to access. The church uses a secure service called Breeze. The web address for the WWPC section is listed below.

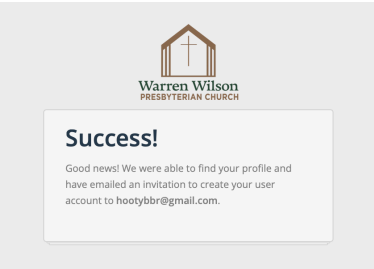

wwpc.breezechms.com/login

To start the process of requesting an account click on the "Create Account" link once you go to the login page. (See link above). You will be requesting access and if successful the system will send you an email to complete getting access.

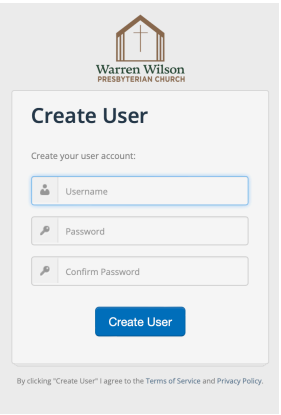

Enter your name as it appears in the directory along with the email WWPC has on file.

Provided a match was found, and the account hasn't already been linked, you should receive the screen to the left.

The email will be from
Breeze Church Management : <no-reply@breezechms.com>
Create your Warren Wilson Presbyterian Church Breeze account

<u>You may need to check your "**junk mail**"</u> to see if your email service sent the message there. If so you should approve of the domain so you will receive future notices from the service.

The invitation sent via email will have instructions on creating the account. Clicking on the link will give you a screen like the one show here. Complete the requested information.

Once you click on "Create User" you will receive another email with instructions for logging into the system with you new account credentials.

Once you successfully login you can you access your profile page.

After accessing your dashboard page in Breeze, you can click on the icons in the upper righthand corner for help and explanations of how to use the system.
